Deans ^{Ferry} ~~000~~ Road and Smith Mill Road.

Danny met with the probate Judge and he said the road would be taken care of, but the other commissioners said no they said we would have to pay for the materials. A total of \$3439.81
Danny suggested we give the ok so it can be put on the docket.

Larry objected to fixing the road because the county has always done the road maintenance and because the town does not have the money,

Pam, Danny and William said they would give their council pay as a donation for the road repair, Larry objected because he said it is not County Lines responsibility.

The town has put \$17000.00 into road repairs already.

Danny suggested that we at least pay part of the cost for the people in the town that use the roads.

Larry said the town does not need to go into debt with monthly payments.
