Meeting called to order by mayor, Sue Calvert.

Minutes and financial reports read. Larry asked about the gas tank rental, to find out what is paid per year. Bill Ivey made a motion to accept the minutes and financial reports. Mellany seconded. Motion carried.

Old Business:

Insurance: Pam got a quote from Allison, the coverage was for the building only, no liability. The League of Municipalities offered the best value for insurance. Bill made a motion to get the insurance with the League. Larry seconded. The motion was carried.

Pam will check about the computer warranty for the next meeting.

Sue got in touch with Earl about the caution light. He stated there would not be any problem he could see. Council asked for Sue to get in touch with Royce King.

New Business:

Bill wants the council to pass a license notice ordinance. He passed around a copy for the council to look and approve. He made revisions to the ordinance. Bill made a motion for the council to adopt the ordinance. After it is revised, he wanted it to be retro active to January 2000. Pam seconded, the motion carried.

Pam asked the council about getting a copier for the town office. She will check for the next meeting to see how much one will cost.

Pam asked council why we don't receive a check from Blount County but do receive one from Jefferson County Commission. Sue said she would call probate Judge Royce King.

Pam informed the council the Town owns a 357 Magnum Smith and Wesson gun. She wants to get a safety deposit box for the gun and other important papers. Pam made a motion to get a box at Community bank, Mellany seconded. Motion carried.

Sue wanted to know what the council thinks would be appropriate to charge Star Communication. How much should they be charged. Bill is going to make up a bill permit. Pam made a motion to give a permit for each individual job. Mellany seconded. The motion carried.

Larry asked what should be done about work that is already done. Sue suggest charging a 500.00 penalty and 2% of the gross. Bill stated council should not approve work that is already done. Pam makes a motion, Mellany seconded, the motion carried.

Pam made a motion to adjourn, Mellany seconded. The motion carried.
