

4/10/01

Sue Calvert	Larry Calvert
Pam Sitton	Jim Calvert
Mellany Piper	April Smith

Financial report read, Sue made a motion to accept minutes as read, Mellany seconded, the motion carried.

Sue swore in James Calvert in place 2.

New Business:

Jason had 1 inspection for John Fuller. It was a 50.00 doublewide inspection.

Old Business:

The Ethics Commission confirmed receiving names and addresses of council members. Clerk attached copy of confirmation.

Pam checked with Walmart about the copier and they did not have one. Office Depot has copiers starting at \$200.00 to \$700.00. Larry tabled the copier discussion to next meeting. Jim seconded.

Allgas filled gas tank before Dowdle was contacted to fill the tank. Dowdle was contacted and asked to wait to fill tank until gas is needed.

April ordered signs for town.

Cecil Calvert said Jefferson County would fix road. Paper work needed to be completed. Two banks in the town need to be cut down and they will give a price for the work.

Larry made a motion for Jim Calvert to be designated contact for the town council for Jefferson and Blount counties about the roads. Mellany seconded, the motion was carried.

Royce C. Smith, county commissioner, was present. Jim asked if Blount could work both roads, Jefferson and Blount. R. C. stated the engineer would have to look and determine what roads were in Blount County.

Dennis Horton, operation manager, said it was confusing where the lines are between Jefferson and Blount County. Jim said an engineer needed to survey the land.

R. C. stated he wanted to get with the engineer, set up a time for the land to be survey,

and then go from there.

Sylvia Ivey was present. She stated the residents of Ivey Lane wish for Ivey Lane to be a dedicated town road so it can be worked with the others. This road is in Blount County. Larry tabled this for the next meeting for further discussion.

Larry asked commissioner if roads would be resurfaced or fixed? Is it already approved? R. C. stated it was not approved. He would see to it the holes in the road would be tarred and graveled . He stated he would try to get approval next year when the monies would be available. A new budget for next year will be worked on this summer. Larry asked who makes decisions about the budget. R.C. stated the commission does. Jason stated in the Blount County paper, an article said it was already approved but R. C. said it was not budgeted for this year.

Pam made a motion for a bid on working Ivey Lane to be included. Mellany seconded, the motion carried.

Sue asked R. C. for a caution light from highway 79 where the road makes a T.

Larry about a sign for County Line Road, Deans Ferry Road, and a pole on 79 where it is missing.

Jim asked if Blount had animal control and RC stated they did not.

Larry made a motion to adjourn, Mellany seconded, the motion carried, the meeting adjourned.
