The clause in the insurance policy mentioning the equipment is a standard clause and was not put in the policy for a particular reason.

The council decided to take out an ad in the Birmingham New and in the Blount County paper for sealed bids and adding a minimum bid, (\$2,000 for the police car). This should be posted on the door of the town hall and at Young's Grocery. The sealed bids should come to the Post office box with a dead line and must be marked SEALED BIDS.
