Minutes of Special Called Council Meeting July 28,2009

Meeting called to Order at 7:06PM by Mayor Calvert

Roll was called with Mayor J. Larry Calvert , Council Persons Michael Calvert, Dennis E. Finch, Ralph D. Calvert Present with Council Persons Pam Sitton and Shannon Blackwell absent.

Mayor Calvert stated this meeting was called, primarily, to discuss the Grass cutting and getting the carpets cleaned in the Town Hall. Mayor Calvert stated he had cut the grass recently over 2 times because it needed cutting . Council Ralph Calvert inquired about this and said that the Mayor should be paid or re-imbursed for this. Mayor Calvert stated that this was not necessary. Council Ralph Calvert made a motion to pay the Mayor for this grass cutting just as we would pay anyone else. Council Dennis Finch seconded. Motion was carried unanimously with Mayor Calvert abstaining. Discussion about cleaning the carpet followed Mayor Calvert stated he had gotten some prices and that Serv Pro could do the job for less than 300.00. Council Dennis Finch moved that ServPro be hired to clean the carpets with a max of 300.00. Council Ralph Calvert seconded the Motion and the motion was carried unanimously.

Mayor Calvert then brought up the grass cutting. Mayor Calvert said maybe the Town should consider buying a mower and hiring someone to operate it and cut the grass. Discussion followed about buying a mower . Council Michael Calvert stated he thought we should just contract someone with their own equipment. Discussion followed about prices to hire. It was agreed that we should try to get it done for about 50.00 dollars each time or 100.00 dollars a month. The Mayor and Council agreed to try and get bids. Council Michael Calvert agreed to get at least 3 bids if possible and would get one from the person cutting the Church grounds nearby. The Mayor said this covered the business he had, and did anyone else have anything that should be discussed? Council Finch asked if we had any Communication from Verizon concerning the cell tower. The Clerk stated he had no communication from Verizon. Council Finch said that perhaps we should send a stronger letter and discuss further. Discussion followed. Mayor Calvert said we will send another letter.

The Clerk reported on the business licenses that had been paid up to date.

Motion was made to adjourn, seconded and motion was carried unanimously
