V. Open issues

The mayor checked into the annexation of property at Brandonwood Dr. they will have to have all property owners to sign a petition in order for the town to accept by ordinance and not an election. Also they need legal descriptions of each property owner Land maybe the property tax card from the county.

The clerk met with our district 4 commissioner Mr. Gary Stricklin about helping us with some of our roads, to see if Blount County can help us with some of our problem roads. He is going to check and see what the cost may be or if Blount County can help.

the mayor had information from Ala League of Municipalities concerning 2 Bills to be Presented to the legislature SB#397 regarding business licenses have to be handled online by 2017 but the State has no money to offset the expense so each city would have to pay to download this software at their expense. Please contact Scott Beason @ 1-334-242-7794 to reject this bill. SB# 400 is trying to make city's only charge \$5.00 for business license's which is unacceptable to most city's, as most depend on this revenue.

Complaints from residents of Green Acres about stray dogs and cats. The clerk called Blount County Sheriff's Dept which handles animal control. All dogs and cats were properly taken care of but one person went to pound and retrieved one of the dogs claiming it was his. Now it is his responsibility if it causes any problems.

A Leadership award presentation was made to Ms. Sue Francis Calvert for services to the Town of County line in leading the fight against the proposed landfill.
