Minutes of Special Meeting held on September 26th, 2013 at 7:00 pm.

The mayor and all council members were present at this meeting with Gary Stricklin our Blount County Commissioner . To discuss the proposals presented for road work on Deans Ferry Road and Cobb Brazeel and Smith Mill Roads.

~~The mayor and all council members were present.~~

The commissioner presented another proposal for the work on the roads. The discussion was who is responsible for the upkeep on the roads before we spend any money. If we pay then it sets a precedent that we will be responsible for all repairs and upkeep on the roads instead of the county.

Councilor Floyd made a motion to adjourn Eugene Kiley seconded. Meeting adjourned at 8:00pm.
