IV. Old Business

The clerk reported that she had been in touch with the engineer at Alabama Power and that they were still working on the streetlight repair orders. The engineer asked us to tie a ribbon around the poles in the future and the repairman would remove it upon doing each repair.

The Mayor is still planning to get an estimate for a digital door lock to be installed on the front door.

No changes in finding someone to assume responsibility for the hanging wire at Ivy Lane.

No changes in the broken storm drain cover on Green Acres Blvd. Still waiting on Vann Mulvehill.

v. **New Business**

There was discussion about the fire hydrants. Mayor Self produced a map that locates all our fire hydrants. This was shared with Fire Chief Miller of the Dallas-Selville Fire Dept. Also the Clerk was asked to contact the BWB and ask if we are paying for the hydrant on Cobb-Brazeel Rd.

Mayor Self asked the Clerk to contact Blount County Commissioner Washburn's office to have a new Directional Sign installed on County Line Road. This sign had been taken out by a wrecked automobile. The person's insurance is to pay for the sign installation.

There was discussion about replacing a street sign at Green Acres Lane. Mayor Self informed us that this street was not owned by the Town of County Line, but rather by Vann Mulvehill.

Fire Chief Miller asked for Mayor Self's support in a meeting with the Jeffco EMA.

There are details that must be worked out for DSFD to take over this service area.
